

Science & Scientists in *Frankenstein: Penetrating the Secrets of Nature*

1. Note the title of the online exhibition section you are assigned:
2. List vocabulary words that you looked up to help full comprehension of the text.

3. Use the table below and list your findings on the scientific works mentioned in your section:

Scientists	Scientific Discoveries	Hopes or Fears about the Discovery

4. How are the scientists and their work in real life different or similar to the 'fictional' Dr. Frankenstein and his creature?
