

Group Evaluation

Directions: Using a scale of 1-5 (1 = low and 5 = high), rank each member of your project group for each of the following criteria:

Involvement: the member remained on task throughout the project and did his/her fair amount of the work.

Role: the member performed all duties required of his/her role, contributing to the success of the group project.

Communication: he/she communicated with other group members and the instructor throughout the project.

Overall: the member's effort throughout this group project was outstanding; you would want him/her to be part of your group again.
